UNITED STATES DISTRICT COURT WESTERN DISTRICT OF NORTH CAROLINA CHARLOTTE DIVISION 3:20-cy-264-MOC-DSC

MARIO CASTRO, MAGDALENA CASTRO,)
Petitioners,)
vs.	ORDER
BANK OF NEW YORK MELLON, et al.,)
Respondents.)

This matter is before the Court on Petitioners' pro se Motion for Reconsideration re

Order Dismissing Case as Frivolous. (Doc. No. 12). Petitioners Mario and Magdalena Castro
asserted in their initial application to confirm arbitration award that an arbitration award of more
than \$1.275 million, entered by an entity known as the Sitcomm Arbitration Association, has
been entered against the named Respondents. On May 19, 2020, this Court denied Petitioners'
application and dismissed this action for the reasons stated in Respondents' brief in opposition.
That is, Petitioners are attempting to enforce a non-existent arbitration award, as no binding
arbitration agreement exists between the parties. Petitioners have now filed the pending motion
for reconsideration, again insisting that the arbitration award is valid. The Court denies the
motion, as Respondents have shown in their initial response to the initial application to confirm
arbitration award and in their response to the motion for reconsideration that there is no binding
arbitration award between the parties.

ORDER

IT IS, THEREFORE, ORDERED that:

(1) Petitioners' "pro se Motion for Reconsideration re Order Dismissing Case as

Frivolous, (Doc. No. 12), is **DENIED**.
